

CEWIL VALUES

Leading Quality WIL in Canada

COMMUNITY

We are an inclusive, engaged, collaborative and passionate group that shares a collective interest and enthusiasm for Work-Integrated-Learning.

LEARNING

At CEWIL, curiosity and reflection are a way of life. We strive to acquire new knowledge, behaviours, and skills to continuously improve to meet the needs and education of our members.

QUALITY

We stand for high standards of rigour and evidence-based practices to ensure a high degree of excellence. CEWIL's beacon of expertise and leading practices is the hallmark of our organization.

INNOVATION

CEWIL will respond to practical challenges through creative thinking and invention that will transform and sustain WIL as the world of work evolves.

INTEGRITY

CEWIL's actions will align with our words. We will act ethically with attention to our values and hold the notions of honesty, pride, trust and helpfulness as our integrity standards.

RESPECT

We know that part of building a thriving WIL ecosystem means tapping into our differences; of who we are, where we come from, what we've experienced and how we think. We are committed to treating others as **they** wish to be treated and embed the principles of equity, diversity, and inclusion in all that we do.
